Steve –

Yes, I have access to that folder on the shared drive. Should I look for something in particular?

My notes were simple as well.

I learned, after our meeting, that we have not paid for the Advanced Search Feature. We have received a bill, just have not paid Could you provide a simple summary of what is not working with that feature?

Commander Cohen,
Do you have access to the Flock folder located here?
City Of Santa Maria\Police Department - Documents\Detective\Flock LPR

And clarify for me what you want me to send to you in an email… 1) problems we've had with Advanced Searches, cameras not functioning, point of aim  2) Questions we want you to ask Flock? (give me some examples)
(sorry my meeting notes were not very good)
